## Volleyball schedule and Science Day

by Joy Smith

*The volleyball team won ALL its games against the Homer C teams on Friday and Saturday, September 23 and 24!*

The first games on Friday and Saturday were Varsity, and the second games were Jr. Varsity (JV). Since there aren't enough girls for separate Varsity and JV teams many of the same girls played in both games. The scores on Friday were for the first game, which was 3 out of 5, 25-13, 25-9, 25-14, and for the second game, which was 2 out of 3, 25-19 and 25-6. The scores of the games on Saturday were for the first game, which was 3 out of 5, 25-15, 25-4, 25-10, and for the second game, which was 2 out of 3, 25-6, 25-10.

18,19 Fri/Sat- HOME- Bristol Bay & CIA

### December:

1-3 Thurs-Sat- Regions @ CIA

8-10 Thurs-Sat- State @ Dimond

## Science Day

On the 28th the school held a science day instead of normal classes. Three different groups of speakers came to the school and talked about oil spills, how littering affects the birds and sea animals of Alaska, and ocean currents. In the class about oil spills, the class watched a movie about the Exxon Valdez oil spill and talked about what to do if there was another oil spill. Four groups were formed to work together to clean up miniature oil spills. The class about ocean currents made messages in bottles that will be put out to sea. Then in the class on littering students learned about how littering can affect sea animals and birds and made goals for how they could help.

## Seldovia Sea Otter Booster Club Pizza Day

"The Seldovia Sea Otters Booster Club was founded by concerned parents and community members in June of 2003 in response to cuts in co-curricular travel funding by the Kenai Peninsula Borough School District Board. Our goal is to raise enough money on our own to replace that we lost due to the cuts. This will allow students at Susan B. English School to

continue to travel for sports and academic (forensics, band, choir, spelling and geography bees) competitions."

The above quote was taken from the Seldovia Sea Otters Booster Club web site. [Click here for more information.](#)

**Support the  
Seldovia Sea Otter Booster Club  
and enjoy  
great pizza at the same time!**
