## *College Fair in Anchorage*

The College Fair went well. As soon as the group arrived in Anchorage they went on a tour of APU, Alaska Pacific University . The next morning they went to a College Fair at the Egan Center where there was everything from military to art school booths and even one from a college in Switzerland . Many Seldovians found what could turn out to be the perfect college for them. After the college fair they took a tour of the UAA campus which included the cafeteria, campus bookstore, which sold a lot more than books, library, and gymnasium. Then the group headed back down to Homer, and the Seldovians spent the night at Homer High.

This year's Halloween carnival will be held on October 22. If you are willing to donating a cake to the cake walk please contact Joy Smith (234-7678).
