### Deepest gratitude for emergency help . . .

We would like to express our deepest gratitude to Andy of Homer Air, Lisa O'Leary, and our local Police Enforcement Officer Andy for their quick actions and beyond-the-call efforts on the part of our son, Josh. Andy was willing to fly Josh out late at night, enabling him to receive emergency care for an injury received during wrestling practice. While Police Officer Andy lit the runway so they could see to fly out, and last, but

not least, Lisa lent her expertise as an EMT for the duration of the flight and into the next day at the emergency room in Homer. We are very grateful for your cooperative effort for our son.
