Project Address, City, County, and State: Seldovia, Alaska
Federal Funding Source: Denali Commission

An Environmental Review Record for this project has been made by the Alaska Energy Authority (AEA) which documents the environmental review of the project and sets forth the reasons for a FONSI. This Environmental Review Record

is available for public examination and copying upon request at AEA's Anchorage, AK office (see letterhead). No further environmental review of this project is proposed to be conducted.

AEA is certifying that its responsibilities and the responsibilities of the Federal Funding Source under the National Environmental Policy Act of 1969 have been satisfied and the project may proceed. AEA will accept an objection to its approval of this certification if it is on one of the following bases: a) That the certification was not in fact executed by the certifying officers(s); b) That AEA has omitted one or more steps in preparing the environmental review, and that correcting the omission may result in a finding of environmental significance.

All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by AEA to its office in Anchorage (see letterhead). Such written comments must be received at AEA's Anchorage, AK office not less than 15 calendar days (beginning the day after the day this Notice was published) or 18 days (if this Notice is posted instead of published). All such comments so received will be considered and AEA will not take any administrative action on the project until the comment period has ended.

Objections to this project on any basis other than those stated above will not be considered by AEA. No objections received after the comment period will be considered by AEA.

David Lockard (907) 269-4541 (AEA Project Manager and Telephone Number)

Kenai Peninsula

2A Basketball

KGTL and Small Schools Broadcasting will be bringing listeners over 25 of the Peninsula 's 2A regular season and District III region basketball games this season. The exciting action features Cook Inlet Academy , Nikolaevsk, Ninilchik and Seldovia. What a great opportunity to support our small schools!

By being a partner in these action packed broadcasts, you will be showing your commitment to education and support of our community's youth. Why not help bring all the action to parents and fans who cannot attend these exciting games! You may write the ad copy yourself, or have myself or KGTL staff work a copy approved by you.
