Seldovia? This is the time to get your opinion heard and counted. It is important that all people vote. If you don't have a form, just download the one attached here. **Sign your name to this form** because this avoids the ballots being "padded." We will count the votes that are not signed with a name in a special category by themselves, but they will not carry as much weight as a survey with a name on it. If you have sent in a survey without your name on it, please come to the meeting on March 23 and find your survey and put your name on it. Names on surveys will be held in confidence. The Survey deadline is March 20th, so you need to act now and mail your survey back if you have not already done so. The Parks & Rec Committee will be discussing the totals at their next meeting on Thursday, March 23, 2006, 6:30 MPR. All are more than welcome to come.
