Today I asked three of the actors Kathleen, Josh, and Stephanie two questions about their feelings about the play.

The first question was: "What is your greatest concern about the play?" This is what they said:

Kathleen said, "We have it pretty good but I worry I will stumble over some of the words with the way they talk."

Stephanie said, "I have no concerns. We will do great! Myself especially."

Last but not least, Josh had this to say, "Humph. That we'll mess up when it counts."

The second question was: "How do you think the play will turn out?"

Stephanie said, I think it will turn out pretty well. As long as we practice hard!

Josh's response was this: "I think that were making excellent progress, it will be great."

Then Kathleen said, "If we get all the actors, very well. We are a few people short at the moment."

The play will be held on May 12th.

## **Wrestling** - by *Tamara Blodgett*

SVT sponsored wrestling camp has been a success! Now running from 6:00 to 7:30pm, it has shown a three-fold increase over the initial sign-up. Boys and girls are learning technique and light conditioning and having a great time doing it. A huge help is SBE high school volunteer, Harold Haynes, from the SBE Wrestling Team, who is assisting Coach Blodgett. When asked how the camp was going, Coach Blodgett responded with, "I feel it's going really well. All the kids seem to be responding well to the techniques being taught, and their enthusiasm continues to be high." Hooray for the kids!
