Letters to the Editor

Hello,

I live in Kenai and made the mistake here at work to say something about the wild turkeys in Seldovia! I was quickly corrected and told that there are NO wild turkeys in Alaska. I was just wondering where the turkeys come from. I haven't been to Seldovia yet, going the first weekend of June, but friends and my kids have been there and came back with pictures and videos of turkeys.

Just curious.

Thanks!!
