Letters to the Editor

- *Expand the City boundaries*

Letter to the Editor,

It seems that the City continues to have additional revenue needs. Being the former Director of the Office of the Governor, Local Affairs Agency in the 60's, that is now known as the Dept. of Commerce and Community Affairs, I would like to suggest the City Council partition the Local Boundary Commission (Created in the State Constitution to handle local boundary issues) to expand the City boundaries to include out the road locations all the way to Jackalof Bay. This would give Seldovia a substantial revenue base area increase that now enjoys all the benefits of Seldovia but does not have to pay taxes. Just a thought for the Seldovia community to think about.

Former Seldovia City Manager,
Kris Lethin
