### SBE Report by Katie O'Leary

#### Spring Fling

First, no, this is not a dance. The Spring Fling in Seldovia is when teams from other "villages" come and play basketball and volleyball. This year there was one visiting team from Nanwalek for volleyball and basketball. From Seldovia there were five volleyball teams and three boys' and two girls' basketball teams. The tournament was played Friday afternoon and all day Saturday.

Seldovia's high school team, and the Nanwalek team. The basketball tournament was set up as a round robin. This is where every team plays each other and the one with the most wins takes first. In the line up first place was the unstoppable Keith's teams, who were 3-0; second place the Nanwalek team, who was 2-1; third place was the high school team, who 1-2; and last place with 0-3 was Evan's team.

In the girls' bracket, well, okay there wasn't even a bracket; there were two teams from Seldovia, who played each other. The game was very evenly matched, with an ending score of 43-40.

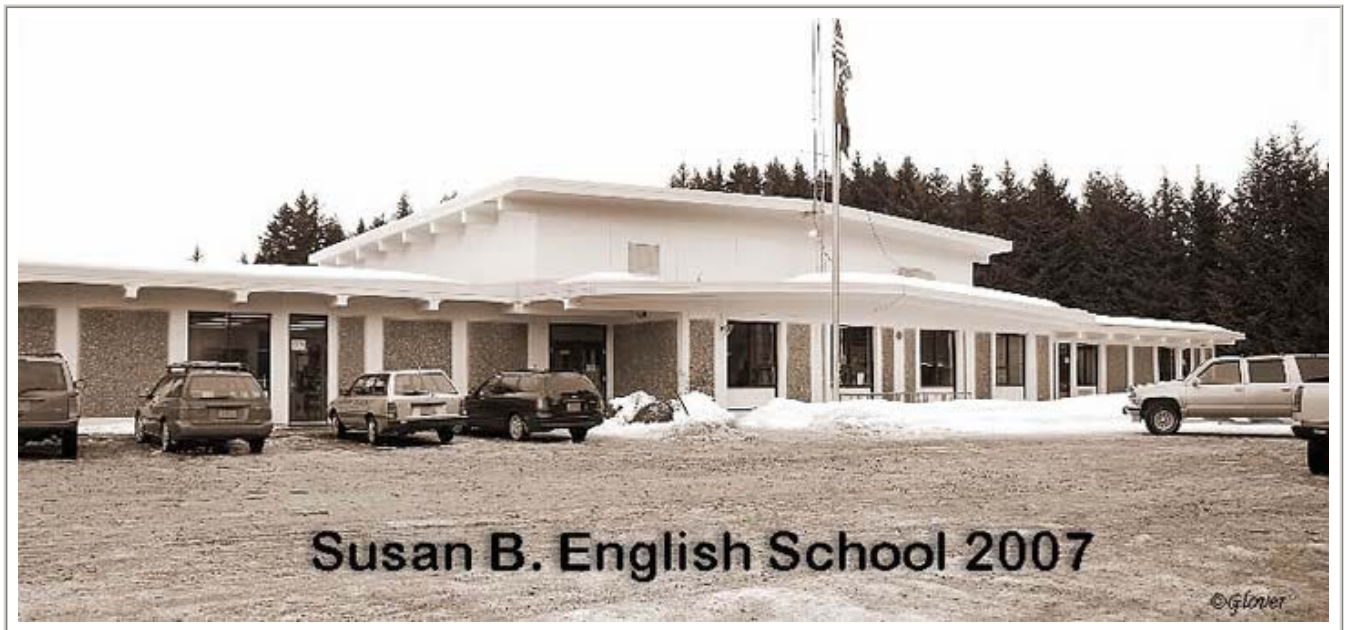

Put the round thing over the net thing; sounds simple enough, right? NOT! You have to dig, aim and be ready for anything. The game I am talking about is volleyball. You may believe the hardest thing is to get the ball over the net, but the truly hard thing is keeping the ball off the ground. Throughout the volleyball tournament there was plenty of diving, digging and awesome saves. The teams in this bracket were Michelle's team, Molly's team, Ruby's team, Stampede (team from Nanwalek), and O'Leary/Blodgett's team. The final top three teams were: first place, Stampede; second place, Ruby's team; and third place, Molly's team.

Over the course of the two days, there was only one major injury. Thank you to the "officials" who helped make these games
