### Asia Chartier - Off and Running!

by Mary Glover

Asia Chartier had planned to do her own spotlight, but time constraints with studying and leaving for a graduation celebration trip to New York City this coming Monday has altered this plan. Asia would still like to do a story for all of you to read. One day she will send us one telling of her adventures and sending pictures of her travels.

Asia is quite an interesting young lady. She was born in Williams, Oregon and is the youngest child of David and Alix Chartier. Her sister, Ana, is seven years older; her brother, Bryon, is five years older, and Jevon is 3 years older. Asia attended SBE English School until her Sophomore year. At that time she went to Australia for an independent study. Last year she went to Mexico and became fluent in Spanish on another independent study. This year she has completed her high school degree, will be officially graduated on May 1, and her diploma will come in the mail. In addition, Asia has been involved in taking the EMT I class being offered this semester

David Chartier built the house that Asia and her brothers and sister grew up in. Maybe some of you have seen it from the bay. It is located in Powder Island Cove within Seldovia Bay. David Chartier is a fisherman and loves to ski with Dr. Reynolds. Asia's mom works for the Seldovia Village Tribe and is an EMT III.

This coming year Asia plans to take a trip from Mexico to Chile before going to college. She is anticipating a very exciting year. We wish you safe journeys and much success in your future.

with Lisa O'Leary, EMT Chief in Seldovia.
