Sea Otter Booster Club Meeting November 6

Old Business

Extra Pizza

Additional pizzas were made during the last pizza night for the Halloween Carnival, but they were never used. Lisa O'Leary proposed that the pizzas be used to feed the volleyball teams coming in for next weeks' tournament.

Concessions

Student council has ordered several new items for concessions this year. The list includes muffins and the ingredients for ice cream floats. Student council is also working to procure a coffee machine and an interlay plumbed coffee cart.

Pizza Night

Pizza night signs are up with a completely new sign up sheet that is going out to the student body. Marcella Suydam will be making the dough but she will need some help on Friday at three in the afternoon. Also wrestlers will not be here to move tables so basketball boys will have to pitch in a helping hand.

Sports Update

Screaming, fighting, uncontrollable anger; oh, wait, I meant to say *basketball* is the talk of the school this week! The junior high basketball team flew out last weekend to play three games in two days. On Friday, the team was on their way, when, uh oh Coach Alvin couldn't go, thankfully Russ Geagel, a father and experienced coach substitute willingly took on the job of coaching the girls' team at the last second.

The team played Cook Inlet Academy's "A" Team, losing by only a few points. Saturday, they faced off with Aurora Borealis Charter School, taking the win. Directly after that the Sea Otters "duked" it out with CIA's "B" Team. In this game the Otter's played their "bench" to make it a fair game, unfortunately CIA had home court advantage and beat the Sea Otters.

The Junior High team will be leaving Friday to compete against the Nikolaevsk Warriors on Friday before stopping in Anchor Point to play the Chapman Eagles on Saturday.

On the next level up, the high school boys' wrestling team is heading off to Ninilchik and Soldotna this weekend, next week there will be more news on that. As for the high school girls' volleyball team, after the break last weekend they will be going up against the hardest group of players they will meet this year, their FATHERS! The annual father-daughter volleyball game is scheduled for Friday, November 9th, 2007 at 7:00 p.m. in the

There are two new banners that have been given to SBE one is from Seldovia Fuel and Lube. Yet none of the banners can go up in the gym until Mike Brown installs the strips of wood to hold them in position. The banners will be professionally put in place at that time.

Action

Booster is undecided on a cook, though Monty Hingley has voiced that he might take the job as soon as he knows the statistics. The action date is still set for the May 3rd.

New Business

Feeding Teams

Lisa O'Leary came up with the idea to feed the volleyball teams that are staying in the school for the tournament. They will have four meals, two lunches and two dinners. They will get to have pizza and lasagna with fruit and salad with each meal.

Fund Raising

Joni Reynertson has created a new sea otter that she can sew onto skullcaps that the Booster Club can buy for three dollars each. The new otter is similar to the one on the back of the high school lettermen's jacket. The otter pattern is programmed into her sewing machine and it can be put on almost anything. A few hats may be available for the holiday season.

Bristol Bay Trip

Bristol Bay will be offering to pay airfare for teams from Anchorage to Bristol Bay Booster is looking into other possible ways of flying the teams there from Homer. The basketball tournament will be taking place from December 26th or 27th to December 30th. Coach Radliff will need to talk to parents and inform them of the trip and expected student behavior.
