### PAC/SBDM Council November 27

#### Principal Report

#### 2007-08 Second Semester Schedule

Sheryl Hingley started off by announcing that on December 11th there will be the Spelling Bee with an Art Show later on that night. The Art Show will be a place for students that were in the Art and Photography classes to showcase some of their work. There will also be a silent action during the Art Show for some of the student's art pieces. Mrs. Hingley also set a date for the Christmas Program on December 18th. The program has already gotten under way and is headed up by Laurel Hilts.

Mrs. Hingley presented for PAC members' review the 2nd Semester schedule. To help the schedule be put together Mrs. Hingley surveyed all the students in the high school to see what classes they wanted to take. The students got to pick from a list of classes that was comprised of what each staff member thought they could teach. The schedule showed one major change, being that there will be smaller core classes for Language Arts and Algebra I and Algebra II. This will make it easier for teachers to pay better attention to smaller groups of students. Also Mrs. Hingley added that Paul Chissus will be doing a welding class. This class was voted for by more than half of the student body population.

### Happy Thanksgiving!

*Long-Range Planning Site Council Involvement Fall 2007*

Mrs. Hingley was asked to show a short video from Donna Peterson to the PAC members. The video's purpose was to help all the schools communicate better with the borough. The mission as the video said is to, "develop creative, productive learners who demonstrate the skills, knowledge, and attitudes to meet life's challenges, by providing stimulating, integrated learning opportunities in a safe, supportive environment." After watching the movie PAC members were given a questionnaire in which their responses could help the school district meet its goal.

**Old Business***Late Night Noises Update*

Mark Jaynes wanted to do a follow up on the late night noise issues that arose last school year. Reneè Purpura said that they were having fewer complaints about the noise but she did find beer bottles around the school on Monday morning and that there are still some indications that there are parties near the school. Mrs. Purpura continued by saying that the school is working to get the funding for security cameras and motion lights all around the school building. Besides that, there have been no complaints and Miss. Hilts pointed out that the police have not yet had to be called to Boys and Girls Club this year.

**New Business**

There was no new business during this PAC meeting. Alvin Swick will be sworn in at the next regularly scheduled PAC meeting as president.

**Public Comments**

Sunni Hilts wanted to know if there was going to be basketball games on the 3rd and 4th of February. She was concerned that the games would take place over a Sunday. After review of the schedule for high school games was reviewed it did show that there will be games against Nikolaevsk on those days. The thought was that it just might be a typo and Mrs. Hingley would be looking into it.

Rod Hilts also commented that he heard good things from the coaches that attended the Seldovia Slam Volleyball Tournament. The coaches he talked to say that it was very organized and they were impressed at the town participation.

**Council Comments**

Mr. Jaynes thanked Mrs. Hingley for the 2nd semester schedule and Mrs. Hingley told the PAC members that the sign up for new classes would be the last week before Christmas break.
