## Letters to the Editor

### *Democratic Caucus . . .*

The District 35 Democrats would like to congratulate and thank all of the patriotic citizens of Homer, Seward, and Seldovia who took the time to participate in the Democratic Presidential Caucus. We would especially like to thank the Caucus organizers and volunteers who showed brilliant resilience in handling the huge turnout. I dare not try to name them all for fear of leaving someone out. You know who you are!

Our House District had the 2nd highest attendance in the entire state! Only District 3 Juneau/Douglas had more people show up. For us to succeed in electing candidates that represent our values we must all realize that voting is only the beginning. There is much to be done. By building a solid grass roots organization we can assure that our voices will be represented in Juneau and in Washington . We now have an opportunity to make history. We can take over the majority in the House and Senate in Juneau . We can work to ensure that we have the first African American, or the first woman President in our Country. Not only that, but we can begin the process of re-claiming our Country from the disastrous policies of the current administration. We can begin to restore our reputation around the world as a country that espouses compassion, peace, human rights, human dignity and broadly shared economic prosperity. Now is the time to build upon our momentum. If you would like to help us change the world, join us and become an active volunteer with the District 35 Democrats. To stay informed and to get involved, go to our website: [district35democrats.org](http://district35democrats.org). Or call 235-9136.
