End of School Blues?

Well, it's that time of year again. School is almost over and winding down...that hasn't stopped teachers from dishing out the dreaded last days of homework! Some are top of their game, others falling behind. Right now it is just make or break time for SBE's high school students, *and they all know it!*

Starting at Mr. Winters (Science teacher) there's been both cat and shark dissections, but due to a minor setback with molding sharks most students ended up in large groups dissecting cats. For Mr. Winters two-hour block of Science he plans to look at the cats brains and then have a short labeling test about their internal organs.

For next two-hour block on Monday the 19th Ms. Burnett will go through her classes finished writing assignments and maybe do some readings of their work. Their last writing project came full circle with students assigned a Metafiction essay (fiction that sounds like nonfiction) which was the category of their first writing project of the year. Students were allowed to reference old writing assignments while writing their Metafiction pieces.

ITS OVER!

School, sports, and everything from the past nine months is OVER! As of 3:10 p.m. on Wednesday May 21st, 2008 the 2007-08 school year ended. Along with the school year, the sports seasons at Susan B. English have also ended. The final meet of the season for Track and Field was the Regional Meet hosted in Soldotna. Timmy O'Leary attended this meet and did extremely well. He placed in shot put, discus, and the 100-meter dash. Though he placed it was just lower than needed to qualify for the State competition. O'Leary was a senior in high school; he graduated on Thursday, May 22, 2008. O'Leary has competed in all three sports, basketball, wrestling, and track, throughout his entire high school career, except losing a season of track due to injury. He was a large part of the athletic program, and we will miss him. Good job Timmy, and **CONGRATULATIONS!**

On Tuesday, Mr. Winters will have the first two-hour block where he will administer his “dreaded” math tests to both Algebra I and Algebra II. He has given both groups plenty of time to study and has assigned them several helpful study pages. Hopefully all will do well on their final exam that will cover all the past units they have worked on this year.

Lastly, Ms. Burnett will have History Class students play all sorts of fun History games that they designed. Each student chose a decade from the 50’s to the 80’s to base his or her game(s) on. Tuesday will test their combined game play.

The end of the year is always hectic leaving many students with little time to do anything but school. Let’s all wish them luck and hope that they have a great end of the year. Summer is just around the corner! **Good luck to the graduating class of 2008!**
