Did You Know? *by Sherry Hingley*

- 5th-8th graders have learned the Alaska State Flag Song.
- More than 50% of the 5th graders earned an A on their math test.
- 3rd – 12th graders are reading books for Battle of the Books.
- We now have 48 people in our community taking a foreign language.
- Four 3rd graders had 100% on their spelling test this week.

Thank you Seldovia, for your help in making this possible.

It is a win - win situation for all of us.

Booster Club has elected new officers and we had a great turn out with both students and parents represented.

Community Support Meeting

On Wednesday September 17th, the Seldovia Booster Club held an informational meeting. This meeting targeted the community members who are interested in supporting the Booster Club by helping with fundraising and attending meetings. The meeting was intended to inform community members of the circumstances of the Booster Club and what was needed for the Booster Club to continue, which meant what was needed for extra-curricular activities to continue. The Seldovia Booster Club is the main source of funds for all extra-curricular activities travel funds. This includes all sports, spelling bee, geography bee, any and all school sponsored writing competitions and field trips for all ages of students. This meeting was held due to the fact that only five people were present at the first booster club meeting of the year. It was decided that this was not enough people to plan out the beginning of the fundraising year. A letter was sent home with students about the meeting and an electronic copy was posted on the Seldovia Gazette. When the meeting time came a magnificent forty five people, students and community members alike, attended to show their support for our extra-curricular activities.

At the meeting Principal Sheryl Hingley explained to everyone

what was needed and what the circumstances of the situation were. While explaining Hingley had a sheet passed around that people were to sign their name and mark the positions or areas in which they were willing to help with the fundraising. The turnout to this meeting brought great hope to the Booster Club and an official meeting date was set for Monday September 22nd.

SAVE those box tops and bring them to the school or give them to an elementary student to fill up his/her monthly paper of BOX TOPS.
