Stork Brings Two Babies!

by Mary Glover

January 2009 heralded the birth of two beautiful baby girls! How fortunate we are in our small community to be able to rejoice in the birth of babies and, as a community, we can look forward to watching them grow and develop. Now what is unique about each of these babies is Kate's mom and dad are pilots for [Smokey Bay Air](#) and Allie's dad is a pilot for [Homer Air](#). (Notice how the mom has lost her identity and becomes Kate's mom and the father has lost his identity and has become Allie's dad.)

These two airlines are our community's lifelines to get people and cargo in and out of Seldovia and occasionally they provide the essential emergency flights out of Seldovia. Now Baby Kate lives in Homer with Mom, Dad and big brother, Johnny, but some of us in Seldovia feel like baby Kate is a part of us as she has already logged numerous flight hours bringing people to Seldovia with pilot mom! Baby Allie lives outside of Seldovia on Jakolof Road next door to grandparents Randy and Mary Bond. Allie is going to learn all the tricks with having two older brothers! CONGRATULATIONS TO THE HAPPY PARENTS AND FAMILIES!
